

INDEX

-A-

Abrasive blasting .....	112
equipment .....	268
Access .....	103, 405
roads .....	548
Accident prevention	
piping .....	137
plan .....	2, 4, 7, 10, 14
signals .....	145
signs, tags, labels .....	137, 158
Accidents .....	11, 15-16, 18
Activity hazard analysis - see hazard analysis	
Aerial lift .....	235, 473, 639
Air-purifying respirator .....	60
Aircraft .....	357, 367
Airfield operations .....	641
Alarm systems .....	191, 375
All terrain vehicles .....	366
Alternating current dielectric test .....	77
Altitude dive tables .....	15
Antimony .....	199
Arc welding and cutting .....	204
cables and connectors .....	205
Arsenic .....	199
Asbestos .....	4, 92, 94
Assured equipment grounding conductor program .....	219
Attachment plugs and receptacles .....	213
Automatically darkening lenses .....	48
Automatic feeding devices .....	264

-B-

Backup alarms .....	358
Barium .....	199
Batteries and battery charging .....	225
Beryllium .....	199
Blasting .....	589
air blast pressure .....	600
black powder .....	593
blasting machines .....	591
circuits .....	603
detonating cord .....	602
detonators .....	590
drilling .....	600
electromagnetic radiation .....	598
energy ratios .....	599
explosives .....	589
explosives, handling, .....	597
explosives, storage .....	593
explosives, transportation .....	594
firing .....	605
lightning .....	590, 593
loading .....	600
misfires .....	607
peak particle velocities .....	599
post-blast procedures .....	607

safety plan .....	589
scaled distances .....	600
static electrical discharges .....	590
underground .....	598, 601
underwater blasting .....	608
vibration and damage control .....	598
warning signs .....	606
wiring .....	603
Body belt/harness systems .....	75
Boiler and Pressure Vessel Code .....	393
Boilers .....	401
Boom - see cranes and derricks	
Brush chippers .....	636
Brush removal and chipping .....	636
Burning operations .....	165

-C-

Cadmium. ....	199
Cage boom guards .....	224
Caissons - see underground construction	
Carbon monoxide .....	69, 625, 626
Carbon tetrachloride .....	186
Cardiopulmonary resuscitation .....	27, 615
Caution signs .....	139
Cement .....	273
Chain .....	284
Chain saws .....	268
Change rooms .....	24
Chemical agent .....	56
Chopping tools .....	639
Christmas tree lifting .....	280
Chromium .....	199
Circuit breaker .....	214
Classified locations - see hazardous (classified) locations	
Cobalt .....	199
Code for Unfired Pressure Vessels .....	397
Cofferdams .....	499
Combustible liquid .....	168, 276
Communication facilities .....	247
Compressed air .....	397
blasting .....	520, 529
work/work plan .....	532
Compressed gas .....	397
cylinders .....	402
Compressed gaseous oxygen, liquid air, or liquid oxygen .....	69
Compressors .....	70
Concrete work .....	537
Confined space .....	113-125
see permit-required confined space	
Construction areas .....	135, 144, 514
Contact lenses .....	44
Contract diving operations .....	611
air compressor systems .....	625
altitude dive tables .....	615
bell .....	623
breathing air supply hoses .....	626
briefing .....	618-620

decompression sickness/pulmonary barotrauma .....	619
dive log .....	618, 620
dive operations plan .....	613, 615
dive teams .....	620
divers .....	611
emergency and first aid equipment .....	628
equipment .....	625
mixed-gas diving .....	624
power tools .....	628
pre-dive conference .....	616
safe practices manual .....	613
SCUBA diving operations .....	620
surface supplied air .....	611, 626
surface supplied air operations .....	622
Control of hazardous energy - see hazardous energy	
Conveyors .....	347
Copper .....	199
Cranes and derricks .....	303
anti-two block (upper limit) device .....	317, 323
boom, angle/radius indicator .....	329
boom, assembly and disassembly .....	320
boom, hoist disengaging device .....	320
boom, stops .....	319
communication .....	310
crawler-, truck-, wheel-, and ringer-mounted cranes .....	317
critical lifts .....	315
derricks .....	332
design and construction standards .....	308
drum rotation indicators .....	318
duty cycle .....	317, 329
environmental considerations .....	316
floating .....	324, 329
gantry .....	331
helicopter .....	334
inspection criteria .....	311
inspections, frequent .....	312
load indicating device .....	317
load moment indicator .....	317
load performance test .....	314
luffing jib cranes .....	323
mobile .....	309, 352, 436, 514, 517
monorails .....	332
on-rubber rating .....	321
operators .....	306
operational performance test .....	313
operators, examination and qualification .....	307
outriggers .....	320
overhead .....	297
performance tests .....	313
periodic inspections .....	337
pillar .....	321
portal .....	321
tandem/tailing crane lifts .....	316
testing requirements .....	313
tower(hammerhead) .....	323
under hung .....	332
Cumulative trauma prevention .....	129

Cutting, arc and gas ..... 263

-D-

D-rings .....	75
Debris nets .....	420
Demolition .....	477
engineering survey .....	477
mechanical .....	484
plan .....	477
Derricks - see cranes and derricks	
Detonating cord .....	591
Diesel fuel .....	526
Disconnects .....	214
Diving .....	611
see contract diving operations	
Dose Limits .....	100
Dosimetry .....	100
Double insulation .....	217
Dredging .....	388
hopper dredges .....	390
pipeline .....	388
Drilling equipment .....	342
Drilling machines .....	528
Drinking water .....	19
Dump trucks .....	361
Dust .....	226, 335, 346, 522

-E-

Electrical .....	209
conductors .....	210
conductors, overhead .....	222
conductors, stringing .....	237
electrical protective equipment .....	77
isolation .....	209
overload protection .....	214
substations .....	245
storms .....	242
temporary wiring and lighting .....	220
underground electrical installations .....	244
Electromagnetic .....	247
Elevating work platform .....	471
Emergency	
descent devices .....	430
lighting and power systems .....	374
medical technician .....	33
operations .....	41
planning .....	17
response .....	579
Enclosed spaces .....	198, 260
Engineering/administrative controls .....	29, 87
Environmental monitoring .....	95, 128
Epoxy resins .....	29
Excavations .....	489, 642
Class I perimeter protection .....	493
Class II perimeter protection .....	493
Class III perimeter protection .....	493
inspection and testing .....	489

mobile equipment and motor vehicle precautions .....	492
protection from falling material .....	492
protection from water .....	491
protective systems .....	490
shield systems .....	498
sloping and benching .....	495
trenching .....	498
Explosive-actuated tools .....	266
Explosives .....	365, 533
Handling .....	511
Eye and face protection .....	42, 48

-F-

Face masks and hoods .....	48, 97
Facial hair .....	63
Fall protection .....	405, 410
warning line systems .....	574
personal fall arrest systems and positioning devices .....	75, 415
safety nets .....	415, 418
Falling object protective structures .....	300
Fencing .....	36, 512
Fire	
alarm systems .....	191
blankets .....	186
detection systems .....	191
extinguishers .....	184
extinguishers, approved .....	184
extinguishing, chlorobromomethane .....	186
extinguishing systems, fixed .....	189
fighting equipment .....	190
fighting organizations, training and drilling .....	192
lanes .....	166
patrols .....	193
prevention and protection .....	163
prevention and protection plan .....	163
protection, first response .....	184
protection, in the construction process .....	167
protection, standpipe and hose system .....	186
suppression systems, fixed .....	189
First aid .....	18, 27
attendant .....	33
facilities .....	28
kits .....	30
station .....	32
Fit testing - see respirators	
Flag and signal persons .....	146
Flammable	
atmosphere .....	267
gases .....	267
liquid .....	92
materials .....	267
Flammable and combustible liquids .....	92, 168, 174
portable tanks .....	169
storage cabinet sand areas .....	170
storage tanks .....	170
storage, underground .....	164

Flashlight .....	42, 172
Flexible cords .....	210
Floating cranes and derricks - see cranes and derricks	
Floating plant .....	369
Access .....	382
escape hatches and emergency exits .....	376
inspection and certification .....	369
personnel qualifications .....	370
see dredging and launches, motorboats, and skiffs	
Floor and wall holes and openings .....	487
Floor removal .....	483
Fluorine .....	200
Flying objects, protection against .....	79, 300
Foodservice .....	24
Formwork .....	539
Fueling .....	173, 527
Fuses .....	213, 597

-G-

Gas metal arc welding .....	206
Gassy operations .....	516
Generators	
frame grounding - see grounding	
portable and vehicle-mounted .....	215
Glare-resistant glasses .....	38
Grinding and abrasive machinery .....	261
Ground/grounding .....	215
Electrode .....	205, 217
frame grounding .....	217
protective .....	217
Guardrails .....	411

-H-

Hand protection .....	42
Hand signals .....	145, 159-161
Hand tools .....	259
Hand-arm vibration .....	129, 131
Handlamps, portable .....	213
Handrails .....	414
Harmful plants, animals, and insects .....	97
Haul roads .....	147
Hazard analysis .....	3, 5, 6, 8
position hazard analysis .....	3, 5, 6
Hazard communication .....	12
Hazardous classifications - see gassy operations and potentially gassy operations	
Hazardous locations .....	166
Hazardous energy, control .....	249
full personnel protection .....	250
plan .....	251
procedures .....	251
Hazardous materials .....	197, 392
Hazardous substances, agents, environments .....	87
Hazardous, toxic, and radioactive waste .....	106
Head protection .....	52
Hearing	
conservation .....	50

protection .....	48
Heat/cold stress monitoring plan .....	126
Heating devices .....	95, 178
gas .....	182
LP-Gas .....	183
natural gas .....	182, 197
open-flame heating devices .....	179
positive operating procedure .....	179
Herbicides .....	23
Hoisting .....	341
ropes .....	279, 310
Hooks .....	288
Hot or molten substances .....	95
Hot stick distances .....	231
Hot tapping .....	202
Hot work permits .....	96
Housekeeping .....	275
Hydraulic	
fluid .....	234, 260, 526
tools .....	234, 260
Hydrocarbons .....	29, 626
Hydrogen sulfide .....	519
Hydrostatic testing .....	393

-I-

Immediately dangerous to life or health .....	56
Impalement hazards .....	493, 537
Inclement weather .....	126
Indoctrination .....	11
Industrial hygienist .....	87, 89, 580
Infirmaries .....	32
Insecticides .....	23
Insects .....	25
Insulating	
links .....	224
mats .....	212
Intrinsically safe .....	226
Ionizing radiation .....	98
safety committee .....	99
warning signs, labels, signals .....	139

-J-

Jumbos .....	528
--------------	-----
